SERENIC CORPORATION NAMED MICROSOFT DYNAMICS ISV OF THE YEAR

EDMONTON, Alberta, Canada (July 19, 2007) -- Serenic Corporation (TSX-V:SER), a leading publisher of financial and business operations software for nonprofit organizations, announced today that it was named the 2007 Microsoft Dynamics ISV (Industry Solutions Vendor) of the Year.

The award, presented during the Microsoft Worldwide Partner Conference, acknowledges outstanding results and extraordinary performance. Serenic earned the award by exemplifying the highest level of customer service, competency and shared collaboration with Microsoft.

"It is a privilege to recognize Serenic Corporation with this award," said Tami Reller, corporate vice president at Microsoft. "We congratulate Serenic on its achievements and deep commitment to our mutual customers, and we thank them for our ongoing collaboration. Their strong performance, dedication and hard work are exemplary. They are a stellar example for our partner community."

"Being named Microsoft's 2007 Dynamics ISV of the Year is a fantastic accomplishment for the entire Serenic team, including our partner channel," said Randy Keith, Serenic's president and CEO. "It continues to affirm Serenic as one of Microsoft's key ISVs and validates our position as a leading solutions provider in the not-for-profit and public sector markets."

About Serenic Corporation

Serenic Corporation is an industry-leading publisher of mission-critical software products that satisfy the unique and sophisticated functionality requirements of nonprofit organizations, educational institutions, and government agencies.

Built on Microsoft Dynamics NAV, Serenic's products deliver fully integrated solutions that can, in many organizations, eliminate the need for multiple third-party business applications.

A Microsoft Gold-certified Industry Solutions Vendor, the Corporation's products include the highly acclaimed Serenic Navigator*, Serenic DonorVision, Serenic MinistryView, Serenic AwardVision, Serenic CommunityCare, and Portals. In addition, the Corporation is the exclusive developer of the human resources and payroll products for Microsoft Dynamics NAV users in North America.

Serenic Corporation is a public company with offices in Edmonton, Alberta and Lakewood, Colorado. It trades under the symbol "SER" on the TSX Venture Exchange in Canada. Additional information about the Company is available at www.serenic.com.
